

Information about
Beingfather
in Germany

Being a father is great.

But being a good father is often hard.

Worrying and questions are also a part of it.

For example:

- > Which kind of financial assistance does exist for families in Germany?**
- > What does the law define?**
- > How is it possible to have enough time for the family?**
- > How is it possible to keep alive the love in the family?**
